Lunch: Chef Max will have special lunch menu weekly after golf.

Format: Players must play in 11 of the 15 weeks and must play in the final two weeks to qualify during the season from May 23 to Aug 29. Players will establish a quota. The original quota will be determined by your WSGA handicap or scores turned in during the months of April and May. The person with the most quota points out of the 15 weeks will win a **500 club membership for 2012!** In quota, the goal is to reach 36 total points. So the goal is to get from your starting quota to 36 by adding points thusly: Each golfer starts with points that match his handicap. If the handicap is 3, the golfer starts with three points. If the handicap is 26, the golfer starts with 26 points. This starting point total is the quota. Points are then added as follows:

Bogeys- 1 point      Pars-2 points      Birdies- 3 points  
Eagles-4 points      Dbl Eagles- 5 points

These scores are gross, not net: e.g., a gross bogey is worth 1 point. The winner of a quota tournament is the golfer who exceeds the target score (36 by the greatest amount. If nobody hits the target, the winner is the golfer coming closest.

## Rules and Regulations

- All league members will tee off from the Red tee markers each week
- Tee times are to be made in advance between 9-10 am for every week. League is 18 holes and players may form their own foursomes. Unpaired players will be assigned to incomplete groups.
- Skins will be awarded as cash prizes and all other winnings will be awarded as gift cards to use in the golf shop.
- The official rules of golf will be followed in our league. The most important rule to remember is that you play the ball as it lies. For questionable rulings on the course play two balls and refer to golf shop staff for the correct ruling.
- Monday scores will be posted to the handicap system by Big Fish staff. All other scores are the player's responsibility. Registered members of the WSGA may post their scores online at WSGA.org. Non-members who are not associated with the WSGA must sign up with Big Fish for the WSGA fee of \$25. A WSGA handicap will be required to participate in net events.
- Monday scorecards will be handed in to the golf shop immediately after your round to complete the weeks scoring. If scorecards are not turned in the same day, you will be disqualified from the day's event.
